

QuickShip

LED Lights Shipped in **5** business days
from either NJ or CA.

Easy Steps

- 1 Indicate “Quickship” clearly on order.
- 2 Submit purchase order with complete specification codes for all Quickship items.
- 3 Orders will be confirmed within one business day.

▶ **Products**

- Your order ships in 5 business days
- Only products listed in Above All Lighting Quickship program qualify for Quickship.
- If any modifications have to be done this could add to the shipping date. Customers can be directed to call for additional lead time for modified orders or for large quantity orders.

▶ **Lead Times**

- Lead time starts when Above All Lighting sends order confirmation to customer. Above All Lighting issues order confirmations within one business day of receipt of an acceptable purchase order.
- Lead times do not include weekends or holidays.
- While Above All Lighting makes every effort to meet or improve the ship date, 3rd party transportation lead times are not 100% guaranteed.

▶ **Ordering**

- Quickship orders must be submitted separately. Quick ship product may not be combined with standard lead-time products.
- Clearly indicate “Quickship” on purchase orders or orders will be entered with standard lead times.
- Order confirmation issued within one business day.
- Clearly indicate if partial shipment is not allowed.
- Unless instructed otherwise, partial shipments may occur.
- Cancelled orders result in a 25% restocking charge.

▶ **Standard freight and Terms & Conditions apply**

- All ship dates are estimated.
- All items are shipped by ground, Ground freight will not exceed 5% of the order value (US only).
- Expedited freight is available at additional cost.
